

## **MRAP PHOTO POLICY**

**(Updated 8/12/2021)**

McFarland Recreation, Aquatics, & Play (MRAP) uses photos of participants in bulletins, displays, and social media to inform others of our recreational opportunities. If you do not want a participant's photo to be used in this manner, you must inform MRAP in writing prior to the start of the program. Please email [mrmap@mcfsd.org](mailto:mrmap@mcfsd.org) with your participant's name, grade, and which activity they are scheduled to participate in.
